Categories*	Ability
A	Strong & Experienced
B	Intermediate – mix of abilities
C	Easier pace & new to track
D	Youth
*Categories are ability based with no separate women's category. Groups may be split based on numbers at the discretion of the organiser.	

The league will run as it has in the past with 4 races a night per category. There will be points for the 1st to 4th place in each race (5,3,2,1).

Entry fee for the league is €25 per person (€10 per youth) via Cycling Ireland online portal. **NO ENTIRES ON THE NIGHT.** Bike hire available at sign on €5 per person (€2 for youth).

Race numbers will be supplied.

Sundrive Omnium Series

In addition to the league this year there will also be an Omnium Series run on Wednesday Nights when the league is not being run.

This series is separate to the Sundrive League with each night being an individual event. Entry per night is €5 per person (€3 for Youths) **payable at sign on**. Bike hire available at sign on €5 per person (€2 for youth). And entry is restricted to track limit of 30 riders per category.

There are two levels of racing in the series, Elite and C/Youth, each of which will have its own night. On the night there will be two categories racing, a breakdown for which can be found below, allowing for longer races. The Elite nights will be run at a Nationals standard.

As the name suggests each night will be run as an omnium where riders accumulate points over a number of races. Number of races per night and points system TBC. Prizes for the top 3 riders at the end of each night.

Please use League race numbers where applicable. Those who do not race the league will be supplied with a number.

Riders racing the Elite races will be expected to help run the C/Youth races and vice versa.
