Riders we have not seen since before 2017 have been removed from the list.

If a rider of experience wishes to be re added, then they must attend a training session to be re assessed. Riders without considerable experience who have been removed, will have to re do the accreditation process. Riders on the list last seen in 2017, will be removed at the end of this season if they have not attended at least one training session in 2018 or 2019

Updated 16/09/2020

Highlighted in **Green** are awaiting Stage 2 Accreditation
