Report Round 1

We started with a Flying 200 and ranked riders from that. Points awarded to Top 6

We then ran two rounds of 3-ups were winner went up the ladder and last place dropped to the 3 up below. Final placing were then decided by Round 3 which was a two up. Mark Stewart was fastest F200 on the night while two riders, Deividas and Luca achieved the 5 point one off bonus for beating their 2022 best time.

The top seed Frayank had a disaster of a F200 but fought his way back up the ladder to ride for 3rd overall, while Deividas took the top of the ladder and also top points on the night.

Big PB for Frayank earning him a 5 point bonus. Also 5 points to Brionn and a subsequent PB by Karl adding another 2 points. Big welcome to debutants Barry Byrne and Damian O'Brien both posting a good F200. Quite a few riders posting consistent times in their F200 and quite close to earning bonus points. A night with some very close finishes – thank you to Eammon for the camera work!!
