**Motions:**

- 5.5. **Motion 1: Under 16 riders to be allowed to compete in team events (Team pursuit, Team sprint & Madison) on the track.**

**Rationale** – the team events struggle to achieve significant entry numbers and many if not all have been at risk of getting ‘yellow carded’ in recent seasons. Allowing under 16 riders to participate would 1) increase the number of riders eligible to make up teams and 2) might prompt senior riders to create teams to give the opportunity to enthusiastic under 16 riders to ride in these events.

The under 16 riders who compete at Sundrive velodrome are competitive with the majority of riders who regularly make up teams in the team championships. The length / intensity of the events would not cause any issue with respect to the riders’ development.
