Riders we have not seen since before 2021 have been removed from the list.

If a rider of experience wishes to be re added, then they must attend a training session to be re assessed. Essentially these would be riders who trained and raced with us for two seasons or more and we would have them on a 'legacy list'. Riders without considerable experience who have been removed, will have to re-do the accreditation process. Riders on the list last seen in 2022, will be removed at the end of this season if they have not attended at least one training session in 2023.

Riders who attended Accreditation in 2023 : We have stored a list of riders who completed the first stage of Accreditation in late 2023 on the 'Legacy List' and they will have an opportunity to complete the process in 2024 within 3 months of the start of the 2024 season.

Highlighted in **Green** are awaiting Stage 2 Accreditation (must be completed within calendar year)

Highlighted in **Blue** are within calendar year to complete Stage 2 Accreditation

PLEASE ADD BELOW ANY NAMES OF RIDERS WHICH ARE NOT ON THE LIST AND PASSED FIT
