

2025 SPRINTERS LEAGUE RD 1 (F200 & 3 Sprint Matches)

Report Round 1

What started with a damp wet morning with racing looking doubtful but within an hour things got underway at 11am. We started with a Flying 200 to qualify for Sprint Heats and rankings although times were down on previous attempts the bunch remained tightly packed. With times and rankings in place, we proceed with 3 sprint heats each. It was great to see returning faces with one or two new ones especially Dan Egan who took two victories over two strong competitors. It was decided among the group that three heats was enough as the day was becoming increasingly cold. Thanks to all who competed and to Willie Hamilton for helping out with the event.
